Dear Sir/Madam,

Your refund request for 09399729 in the amount of \$88.00 has been denied.

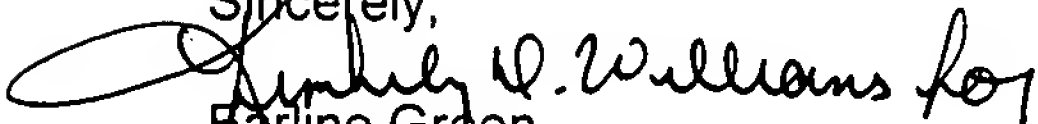

This is in response to your letter submitted on November 20, 2007 wherein you requested a refund in the above-identified application.

After thorough inspection of U.S. Patent and Trademark Office physical records in the above identified application and Revenue Accounting Management financial records, it is determined that you are not entitled to a refund.

It has been discovered that the initial request for the charge for independent claims in excess of three was correct. The amendment was processed after a petition for withdrawal of abandonment was granted on February 5, 2005. The application was flagged lost with in the office therefore causing the dealy in entering the amendment and the office action thus following. Therefore, the charge of \$88.00 that appeared on the statement for May, 10, 2007 is valid.

In view of the above the request for refund is denied.

Sincerely,

Earline Green
